Dear How-Chan and Gareth

I would like to take this opportunity to thank you for all the help and assistance that you have given us with sorting out our recent computer issues.

Your expertise in this area has proved invaluable, explaining things to us in a clear and concise manner which we found very helpful and enabling us to carry on our day to day business with minimum interruption.

Gareth has also been helping Steve via the telephone which he has found incredibly useful and again we appreciate this a great deal.

As always we would not hesitate to recommend Halchax IT Solutions to anyone regarding such a service and we look forward to working with you in the future.

Yours Sincerely

Chris Leafe
