

Dan from Quick by Design and Gareth from Halchax IT solutions came to visit our students on two occasions to deliver a powerful and knowledgeable session on Social Media and IT.

Student feedback was extremely positive as Dan and Gareth gave them the confidence to think about the event they were planning as part of their qualification with Infused Learning and how it could be promoted using the power of social media including a demonstration of how quickly a post can be shared. All students thoroughly enjoyed the session and we can't thank them enough for giving up their time to speak to our students and share both the advantages and disadvantages of using social media.

We would have no hesitation in recommending this training to others. Thank you very much.

With thanks
